SO MUCH POWER, IT’LL FLOOR YOU.

Read more about our industry-leading 2-YEAR WARRANTY on the back cover!
Meet the 2014 Jayco Seneca — our most powerful ride yet. Built on a substantial Freightliner M2 chassis, Seneca ups Class C performance with a Cummins ISB 6.7L 340 HP engine, heavy-duty rear air suspension and a 10,000-lb. rated hitch, so you can go anywhere with just about anything. Your seat belt should be the only thing holding you back, and its luxurious interiors should be the only thing persuading you to stay put.
The most affordable Class C to be built on a Freightliner chassis

A sloped hood with low-profile dash creates ideal views
High-end kitchen with one-piece, solid-surface countertops

King-sized Denver Mattress with under-bed storage
To set the bar in luxury performance, we made both parts equally unmistakable, starting with details that deliver top-level convenience.

**POWER MEETS LUXURY.**

**TOUCH SCREEN**
A 7” touch-screen display features back-up views, built-in GPS and Premium Sound System (Customer Value Package).

**GENERATOR**
Don’t let anyone tell you their motorhome is a power house unless it’s equipped with an 8,000-watt generator.

**WATER HEATER**
A tankless water heater with electronic start delivers an unlimited supply of on-demand hot water.

Bunk beds in the 37FS for an 8-person sleeping capacity

Exterior entertainment center with 32” TV and speakers
JAYCO CONSTRUCTION

At Jayco, we’ve built a reputation for superior construction and craftsmanship. We always use top-quality materials and innovative manufacturing techniques—down to the smallest details. The result? Unmatched resale value and peace of mind in an RV that’s built to handle whatever the road throws at it, while outlasting everything but your memories.

EXTERIOR PAINT CHOICES

1. ESPRESSO PREMIUM PAINT
2. GOLDEN BURGUNDY PREMIUM PAINT

WALL CONSTRUCTION

1. Vacuum bonded: Features laminated layers of high-gloss fiberglass, lauan, aluminum framing, R-9 bead-foam insulation and vinyl paneling
2. Seamless fiberglass front cap: Boasts an industry-best 30-month warranty in which Jayco will repair or replace any cap found to be defective 30 months after manufacture date*
3. Frameless windows: An industry-first standard feature, creates a stunning exterior package

FLOOR CONSTRUCTION

4. Vacuum bonded: Features laminated layers of Darco underbelly, a welded aluminum frame, R-9 bead-foam insulation and 5/8” Structurwood
5. Welded aluminum frame: Lighter and more corrosion-resistant than competing steel floors, provides more cargo capacity
6. Aluminum wheel wells: Not found on most other Class Cs, protects floor from tire blowouts and dissipates heat from brakes for a safe ride

ROOF CONSTRUCTION

7. Vacuum-bonded layers: Features laminated layers of 5” arched aluminum trusses, moisture-resistant 1/4” plywood decking, R-23 bead-foam insulation and vinyl soft-touch pad
8. Seamless fiberglass roof: Features one-piece construction for better leak protection; lightweight and UV resistant, fiberglass is superior to competing synthetic rubber roofs that require after-market kits to revitalize faded rubber

PERFORMANCE

9. Freightliner M2 106 chassis: Delivers a surprisingly tight 55-degree turning radius
10. Cummins ISB 6.7L 340 HP diesel engine: Features a 33,000-lb. GCWR with a 10,000-lb. rated hitch, plus gas-strut assisted hood for easy engine access
11. Heavy-duty rear air suspension: Improves sway control under heavy loads
12. Front-axle stabilizer bar: Not found on competing Class Cs, reduces sideways tilt when cornering

* See warranty policy for details
**STANDARDS AND OPTIONS**

**CUSTOMER VALUE PACKAGE**
- 12V electric awning with LED lights
- Electric power cord reel
- Back-up/side-view cameras with monitor
- In-Motion satellite dish

</table>

**Gross Vehicle Weight Rating (GVWR):** The maximum permissible weight of the motorhome including the Unloaded Vehicle Weight (UWV) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the Cargo Carrying Capacity.

**Gross Combined Weight Rating (GCWR):** The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle. It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements. See specifications chart above.
2-YEAR WARRANTY

Peace of mind comes standard.

Nobody offers a better warranty than Jayco. With our exclusive 2-year CoPilot Limited Warranty, the only strings we attach are those that deliver the ultimate in reliability. At Jayco, your peace of mind is our priority, and that’s the Jayco difference.

*For a copy of our 2-year limited warranty with full terms and conditions, please contact your local Jayco dealer or visit Jayco.com.

300 JAYCO DEALERS
A four-decade strong network.

From the sales experience to service after the sale, we consider our dealers to be an important part of the Jayco family. Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. We hope you consider them a part of your camping family.

1-YEAR FREE Roadside Assistance

Travel worry-free with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the country’s largest RV emergency road service, and gives you immediate access to assistance.

Jayco’s long-term commitment to protecting the environment.

THE JAYCO STORY BEGAN IN 1968 WITH OUR FAMILY—THE BONTRAGERS. Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more conveniences, he believed his camper would bring families closer together.

Since then, Jayco has helped generation after generation create family stories — good, old-fashioned family fun built around campfires with a Jayco RV nearby. At Jayco, we strive to build family-friendly products that will outlast just about everything but your memories. We’d love nothing more than to be a part of your family story. Join us in our generations of family fun.
