“Liveable,” to our customers, it could mean comfort. To our designers, it’s a refined, ergonomic floorplan. For those who build them, we see value. The definition is most likely “all of the above”...and then some.
VALUE SHOULDN’T BE AN OPTION.
For years the Jayco® Jay Flight has mystified its competition and delighted its owners with a build quality and list of standard features that are only offered as expensive options on other travel trailers and fifth wheels.

1. Kitchen sink and range covers keep the kitchen looking neat and give you more counter space.
2. Get a good night’s sleep in a bedroom that features a cushy queen-sized 312 coil Innerspring mattress.
3. Extra-wide bunk beds allow kids to have their own space that’s fun and functional. (See floorplans for details).

To find out more about America’s Most Liveable RVs, visit www.jayco.com
CONVENIENCE IS STANDARD EQUIPMENT.
1. The RVQ®, our optional portable gas grill, makes grilling convenient and cooking a breeze. 2. Lockable storage compartments give your family a place to put large items and helps to keep your living space clutter-free. 3. The outside shower, standard on all models, makes rinsing off after outdoor activities easy and keeps the inside of your Jay Flight clean.
NO COMPARISON. NO COMPETITION.
Step through the radius cornered entry door, see and feel the craftsmanship of the solid hardwood cabinet doors and revel in 81" of living room ceiling height. Choose from a variety of floorplans, each of which has been refined from input of owners, dealers and designers.

To find out more about America’s Most Liveable RVs, visit www.jayco.com

1. Overhead dinette cabinets provide a storage space for table settings.*
2. Storage drawers under the dinette are the perfect place to put kitchen odds and ends.*
3. The residential-quality J-Steel™ convertible sofa easily transforms into a comfy, relaxing sleeping space.

* Fifth wheels only.
QUALITY IS IN THE DETAILS.

1. Enjoy the ultimate movie and music experience with the home theater system with Dolby® Digital 5.1 Surround Sound and DVD/CD player (included in the Customer Value Package).

2. Jay Flight travel trailers and fifth wheels feature solid Manchester Oak cabinet doors.

3. Making more room for the family is simple with Jayco’s optional extendable dinette on the Superslide™ models.
THE NEW STANDARD FOR STANDARD.
The list goes on. Electric-powered front jacks ... standard on all Jay Flight Fifth Wheels. V-Tec™ flush-floor slideout system ... standard on Super-Slide™ models. E-Z Lube® axles ... standard again. Jay Flight ... an old favorite and a new standard.

1. The roomy master bedroom is beautifully decorated and offers a tranquil place to rest your head after a day of activity.

2. The real wood silverware drawer features large built-in dividers, making organization simple.

3. The spacious kitchen pantry provides ample storage for all of those essential ingredients and snacks necessary for the road.

---

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up, and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as “Dry Weight,” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options, or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo, and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

**Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

---

Built To Last.
Like every Jayco vehicle, Jay Flight features robust designs, high quality materials and expert construction. Jayco’s I-Class structural steel chassis frame makes our RVs stronger and more durable than the welded I-Beam frame used by many competitors. Jay Flight is built to last, allowing your family to make happy traveling memories for years to come.

A Legacy of Craftsmanship.
In keeping with Amish tradition, Jayco’s master craftsmen build our RVs using construction methods that stand the test of time. Our Middlebury, Indiana-based craftsmen are among the finest in America and pride themselves in building the highest quality RVs on the market. In March 2005, we began manufacturing Jay Flights in our new Twin Falls, Idaho facility. Maintaining Jayco tradition, our Idaho craftsmen are trained by the Amish in old-world construction.

Customer First Roadside Assistance
Travel worry-free in your Jay Flight with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

Emergency Roadside Assistance
- 24-hour toll-free emergency message service
- Toll-free nationwide service appointment assistance
- Free custom trip routing and full color map service
- Free dispatch of on-site mechanical service
- $1,000 auto theft or hit-and-run reward
- $500 trip interruption reimbursement
- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks

We Back What We Build.
The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred one time within the warranty period. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our website at www.jayco.com.
