2010 GREYHAWK

Freedom Fighter
A Triton™ 6.8L EFI V-10 305 HP engine, five-speed automatic transmission, power anti-lock brakes and power steering means Greyhawk can handle mountain passes as easily as it does the straightaways.
set, go.

Are you ready to answer the call of the open road? To see the sun rise on the east coast and set on the west? And to do it with all the comforts and conveniences of home? Then you’re ready for the Jayco Greyhawk, a Class-C motorhome with more high-end features and amenities than anything else in its price range. While the decision to buy a motorhome is a big step, when you’re ready, Greyhawk makes it an easy one.

COMFORTABLE
Traveling’s a breeze with standard features like a lockable exterior storage compartment, central air conditioning, tinted safety-glass windows and an electric Carefree® patio awning.

DURABLE
TuffShell™ vacuum-bonded laminated sidewalls, a one-piece rubber roof with 12-year warranty, and bead-foam insulation guarantee Greyhawk can withstand the elements.

AERODYNAMIC
With its redesigned roofline, the 2010 Greyhawk not only looks sleeker than ever, but it’s also more aerodynamic, which improves gas mileage and saves money.

A TRADITION OF LIVEABILITY
Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we’re the world’s largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.
LIVE IT UP.
Tastefully decorated with Northridge Maple cabinetry, oil-rubbed bronze hardware, halogen recessed ceiling lights, Jayco-designed furniture and a choice of three contemporary color schemes, the Greyhawk combines luxury, liveability and value into one beautiful package you’ll want to open again and again.

INTIMATE
You’ll appreciate Greyhawk’s cozy bedroom, with a Cloud Ten™ pillowtop queen mattress, quilted bedspread, large wardrobe and under-bed storage.

EFFICIENT
With a three-burner range, molded double-bowl sink and plenty of cabinet space, Greyhawk’s kitchen makes cooking fun and easy.

HOME-LIKE
Greyhawk’s bathroom features a comfortable shower, mirrored medicine cabinet, residential-style linoleum floor and a large skylight.
Jayco construction

At Jayco, we’ve built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products reliable resale value and our owners peace of mind.

Jayco craftsmanship

Jayco’s dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations.

Jayco liveability

POWER TO SPARE

The Greyhawk features a powerful 4,000-watt Onan® generator with auto-changeover and an Energy™ command center.

DREAM DINETTE

Easily raise and lower your dinette table for extra sleeping space whenever you need it.

HIDDEN CABINET DOOR HINGES

Hidden cabinet door hinges are now standard for increased beauty throughout Greyhawk’s interior.

COMMAND CENTER

Control all your generator and slideout functions from one convenient interior location.

DRAWER GUIDES

New ball bearing drawer guides provide smooth operation and full-drawer extension.

---

FLOOR
Vacuum bonding joins our aluminum frame with a heavy-duty Structurwood® floorboard to create one of the strongest foundations in the industry.

WALLS
TuffShell™ vacuum bonding with welded aluminum frames and metal backers creates a durable structure designed to withstand use and travel.

ROOF
The laminated, vacuum-bonded roof is comprised of ¼” plywood decking on 4” arched aluminum trusses with bead-foam insulation (R-15) and a seamless rubber membrane that protects against moisture and resists aging.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

**Gross Combined Weight Rating (GcWR):** The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of your RV. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

www.jayco.com
The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable.

Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Travel worry-free with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.
